THE WELLWOOD BANQUET FACILITY RANKS AMONG TOP BANQUET FACILITIES

The Wellwood Club announces that its banquet facility ranked among the best in Cecil County in a recent survey conducted by the Cecil Whig. It is available for business meetings, special events, and wedding receptions.

The Wellwood also ranked in the top three for wedding planners and outdoor dining.

The banquet facility offers seating for up to 400 guests. The enclosed tent area is climate controlled, with all the amenities needed for an elegant dinner, corporate meeting, themed party or wedding reception. The carpeted room with bar, dance floor and stage is perfect for all occasions. Exquisite chandeliers add to the ambience. Furnishings include round tables of eight, padded chairs, dance floor, skirted tables for gifts and cakes, decorated buffet tables and white linens.

Located in historic Charlestown, The Wellwood is only a short drive from Harford County, Oxford, PA and just minutes from the Delaware state line. The Wellwood also offers separate rooms for smaller meetings, from groups of 10 or more, with menu options to fit all budgets.

Commenting on the banquet facility, owner Larry Metz said, "The events that we've hosted have been very successful. Our event coordinator works very hard to make sure that all of the details are taken care of. From themed events to formal dinners, we make sure that each occasion is special."

The Wellwood Club was established in the late 1800's. It originally operated as a private club, and many prominent personalities were known to belong, as it afforded peace and quiet, along with fine food. President Theodore Roosevelt once frequented the club, as well as Calvin Coolidge. More recently Governor Ehrlich has dined there on numerous occasions, along with many other local politicians and prominent citizens.

In addition to the banquet facility, The Wellwood offers fine food in the historic dining room that presidents once frequented. For those looking for a more casual atmosphere, the patio offers comfortable outdoor seating and live music on the weekends.
